Dear PRFC Commercial Trot Liner & Fish Pot Licensee,

I am sending you the following list of buyers that are purchasing commercially harvested Blue Catfish from the Potomac River in order to keep you informed of opportunities for selling the catfish you are harvesting, which may in turn help reduce the population of this invasive species. There may be other buyers besides those listed, but these are the buyers we are aware of. If you have any questions, please feel free to contact me.

List of known seafood dealers purchasing Blue Catfish:
